THINKING ABOUT YOUR CAREER?

UOW Careers Central is visiting Batemans Bay. Whether you are in your final year or first, it’s never too early or late to think about that major step - what to do after graduation. Email to book an appointment. Some questions you may have been pondering...

- What major/s to select
- Which elective units to do
- The requirements for professional registration
- How to explore various career options
- How to get work experience, part-time or in vacations
- How to identify the skills valued by employers
- How to prepare for graduate employment
